President’s Note

Welcome back!

I am sure I echo the voices of all our children and grandchildren when I ask “Where did the summer go?” I feel we in San Antonio could be forgiven for thinking it flowed down the drains to Olmos Basin!

While dodging the rain in what has been one of the wettest summers in recent history, the Executive Committee has been busy working on your behalf to create an interesting and informative program for the year ahead, including fascinating speakers, fun social events and many opportunities to connect with friends, old and new.

At our summer meetings we have reaffirmed our commitment to serving Trinity by reaching out to as many women in the Trinity community as possible. We have updated the welcome letter given to new faculty and staff, and included a colorful photograph of the Executive Committee, to help put names to faces. Also, a new Women’s Club web page will soon be up and running on the Trinity website with details of upcoming events and interest groups, which will make the information more accessible to new and existing members.

I am thrilled to say we have added a new interest group to the already comprehensive list. An activity accessible to all, we hope Walking for Women will provide an opportunity for exercise and fellowship for all members, working and non-working. We also have an exciting and ambitious goal of entering a group in the Susan G. Komen Race for the Cure next spring. Perhaps it will become your “new academic year” resolution to exercise with the ladies of the Women’s Club!

I look forward to a bright new year ahead, with more and more members becoming actively involved in the Club. Whether it be walking with the women, dipping into a new interest group, hosting an event or extending the hand of friendship to a new member by bringing them along to a social event, your involvement makes the Club the vibrant body that it is. Thank you all for being so active.

The Open House at Janice Brazil’s home on September 6 kicks off the year. I look forward to seeing you all there.

With best wishes,

Claire Smith

Congratulations

Congratulations to Inga-Munsinger Cotton and her husband Mike on the birth of Nicholas David. He arrived on the afternoon of July 6 weighing 7 pounds and measuring 201/2 inches long. Proud grandmother, Kim is delighted in watching her grandson grow everyday.

Applause for Sharon Jones Schweitzer! She received accolades for her volunteer efforts as President of the Girl Scouts of the San Antonio Area. At the close of her 4 year term of service, Sharon was presented with the “Yellow Rose of Texas,” commissioned by the office of the Governor of the State of Texas.
Summer Travels

Mary Jane Judd and her husband Raymond enjoyed a weekend in Round Top, Texas for the International Music Festival, one of the best opportunities for superior music students and faculty from all over the world to come together. They also took a long dreamed of trip to Russia with a group from The Metropolitan Museum in New York City and the National Trust. The 15 day journey began on a river boat, The Volga Dream. She enjoyed exploring St. Petersburg, medieval churches and monasteries and arriving in Moscow. One of the most exciting moments was to stand in the middle of Red Square.

Marsha McGlasson and her family had a fabulous summer vacation in Europe. From London, to visit family, to a day trip to Windsor Castle, Bath and Stonehenge. The trip was spectacular despite the rain. The next stop was Paris, and a tour of Versailles (same day as Tony & Eva’s wedding but somehow her invitation did not get to her so she was not able to attend...she didn’t want to go anyway). The final leg of her trip was Rome. This was her favorite although Paris was a very close second.

Mary Kay Cooper, Director of Alumni Relations and her husband Eric, celebrated their 10th wedding Anniversary in August on a cruise of the Western Caribbean.

Blair Wolf flew to Richmond, VA, in June to see her ninth grandchild - Emmett Patrick Lyle (blue-eyes and red hair!). She got to spend time with her son Malcolm, her daughter-in-law Heather, and her brother drove up from Raleigh NC to spend an afternoon with them. Blair plans to become a frequent flyer.

Nancy Novak’s was delighted to see her son visit from Germany in June. He has lived and worked in Germany for about seven years and stopped by on his way for training in Boston.

Welcome These New Faces!

Eleni Moncrief moved to San Antonio about a year and a half ago from Greece and has been with Trinity since May. She’s also spent time in Germany and the Middle East and now is in the process of learning the “US-ways-of-life”.

Andrea Speer Shelton ’75 After graduating from Trinity she went to UTSA Dental School and is a dental surgeon here in San Antonio. She is in practice with a group of colleagues. She is an active alumna and volunteers with our admissions and career programs and is a member of the National Alumni Board. Andrea is married and has two sons.

Carol Mansen ’83 Carol is the President of the National Alumni Board and Chair of the Trinity University Alumni Association. She graduated from Trinity University in 1983 with a Master of Business Administration. Carol is a CPA and has recently started a consulting practice. Over the summer, Carol and her husband Dave relocated to San Antonio from Denver.
